“ From Virge, Delores, Wesley, Jerry, Mark, and Daniel. We will all miss Gracie so much. She was one of our favorites. We love her very much.

Everyone just wanted to be around her. So much fun. You never knew what she was going to say. Whoever wrote her obituary really nailed it. We still talk about that picture going around when everyone was up here at the lake. Where she was up-side-down in the keg.. One more person to meet us in heaven when our time comes. Love to you all.
