“ hey this is ryan.I would really like to come to the funeral tommorow.well my cell is 936 827 2135.My dad would be the one bringing me I'm not sure if he's gonna be staying yet because of my little brother but yea call if you can.I recently seen dalton about two weeks ago and we kind of caught up on some things but had to cut it short.when I heard what happened I was almost in a state of denial,I just can't believe this.grady really was a good guy always making me laugh until I was left gasping for air and I wish I could have talked to him a couple more times.well my message probably isn't as sincere as others but non the less I feel the same.sorry it took so long for me to message,I just found out about this site.well ok,peace much love to you all.
