

Gregory Mark Cypert

July 22, 1963 - January 21, 2011

Gregory Mark Cypert was born July 22, 1963 in Gainesville, Texas to his parents, Bill and Connie Cypert. Greg was known for his quick wit, his kind heart and his ability to tell a tale. Greg graduated from Gainesville High School in 1981, attended Texas Tech University, where he had a wonderful time, and then attended and graduated from Sam Houston State University with a degree in Criminal Justice in 1990. Greg married Cheryl Mock in 1991 and lived in Flower Mound, where he worked as a counselor for the Lena Pope Home for boys and girls. During his many years there, Greg touched and influenced for life, many at risk children. Greg and Cheryl moved to Montgomery, where they were both employed by Boys and Girls Country in Hockley. During his time there, Greg developed several curriculums and teaching modules for his field of expertise. In 1988, Greg was diagnosed with kidney disease and received his first donated kidney from his father in 1989. Ten years later, Greg again went through a kidney transplant thanks to an anonymous donor. Thanks to these selfless donors, Greg was able to enjoy life with his wife and to father his two outstanding sons, Caleb 18, and Aaron, 15. It would be honest to say that Greg lived and breathed for his family. Greg took such pride in his boys and enjoyed nothing more than spending time with them, water and jet skiing with them at the lake or playing baseball. Greg was comforted in his last days knowing his boys are such fine young men. Greg is survived by his wife and sons; his mother, Connie Stovall and husband Kenneth of Gainesville; his siblings, Cindy Rowley and husband Marty of

Amarillo, Teri Jaroszewski, and husband Ronnie of San Antonio; and one brother, Chris Cypert of Gainesville. He is also, survived by nieces and nephews, Matthew, Michael and Theresa Rowley of Amarillo, and many other family members and a host of friends. Family visitation will be at Sam Houston Memorial Funeral Home in Montgomery, Texas on Thursday, January 20th from 6pm – 8pm. The funeral service will be held at Lonestar Cowboy Church, 21627 Eva Street, (FM 105) in Montgomery on Friday, January 21, 2011 at 11am. Interment will immediately follow at Smith Memorial Park, on FM 1097 West in Willis, Texas. The family has requested that in lieu of flowers, donations may be made to one of the following; Cheryl Cypert, Trustee, for the Caleb R. Cypert and Aaron L. Cypert College Fund at any Amegy Bank or by mail to Amegy Bank, 20800 Eva St, Montgomery, Texas 77356 or to The National Kidney Foundation of Southeast Texas Inc., 2400 Augusta, Suite 252, Houston, Texas 77057 in his memory. Ultimate thanks go to Dr. Gene Forrester, Dr., Phil Leggett and to nurse Pam Parmer. You are invited to leave memorial condolences to the family on our website at www.shmfh.com

“ May God's healing presence be with you during this time of tremendous sorrow. We will remember him fondly and Craig and I will never forget to smile when we look back on his special rendition of 'I've been every where man' at Lip Sync several years ago. He was more than a fun-loving person, he was an outstanding gift from God to those he served. A large number of individual people were touched by his presence in their lives - that legacy will be felt for generations to come. Blessings, The Dickson Family

“ My deepest sympathy goes to the Cypert family. I grew up with Greg and attended school with him from 1st grade all the way through High School, we played Football, Baseball etc... in and around the neighborhood from the time we were 7 or 8, we were absolutely childhood friends. I knew what a special spirit he had, even back in Elementary School, he had "IT", he was always nice to everyone, quick witted, funny, always had a positive word and that infectious smile. When I heard of his passing I was deeply saddened by the loss and I hadn't seen Greg in 30 years, I am telling you that I cried about your and our loss. I will pray that your hearts will be lifted and with the certain knowledge that you/we will see him again in the hereafter, my prayer goes out to your boys that they will carry on Greg's Legacy of Love and acceptance. He will be greatly missed!

“ Dear Cheryl, Caleb, and Aaron: You have heard me say many times that Greg was one of only two people I have known in all my 37 years in residential homes who had the magical gift and well honed skill of reaching....everyone!

Whether we were students, staff, employees, or supervisors he had a story to tell, a point to make, a compliment to give, and advice to share. He had the biggest heart and the strongest spirit any of us could imagine. We wanted to please him, to make him proud of us.

I am grateful to have known him, loved him, and learned from him in the time we worked together.

Dennis and I send our love and thoughts as you begin to live without his daily presence. He is too big, too important, and too memorable to ever leave your hearts, or our hearts.

Thank you for sharing him with us. He left his mark on our world as well as yours.

We love you.

“ Greg showed up at BC during my last 4 years. With him being a "rookie", I challenged him to some epic battles and ended up having life changing conversations. I owe my marriage to him. While working in Austin at a camp in between my JR and SR years of high school, I was ready to quit and come home. Greg made me man up and finish the last 5 weeks of camp. One week after that talk, I asked my future wife out on a date. That was a life changing moment.

This past Sunday I mentioned Greg during my sermon before hearing about his passing. He worked with me so long to help me change my life and this Sunday I plan to honor him and mention his role in my life again during my sermon. He was one of a few men who ever made an impact in my life. Thank you Greg.

To Cheryl, Caleb & Aaron: Our family is praying for you and know Greg was a life-changer. He gave much of his life to help boys become men. Thank you for your sacrifice as well. We love you.

“ Dear Cheryl, Caleb, Aron and extended family,

My sincerest condolences and prayers are with you. Greg has touched many lives and even though distance and time has come between us, he continued to touch mine. I pray that our God's Grace, in the name of Jesus, may guide and comfort you always.

Through my early years of friendship growing up with his brother Chris, I was fortunate enough to be welcomed into the Cypert family. Because I didn't have a brother, I took this as an invitation to adopt Greg as my big brother. The first wallet I owned had Greg's picture proudly featured in it. I was always proud to tell people that I knew Greg Cypert.

Greg had a positive influence on me then and he continued to do so as I grew up. I have always admired Greg's wit and athleticism, but I will all ways most admire his courage during difficult times, his love of God and his love his dear blessed family.

May perpetual light shine upon Greg and may he rest in peace.

When I think of childhood memories, I always think of the Cyperts that lived right down the road from me and especially of Greg. “ Greg held life in his hands and played with it enjoying it was like a game. His quick wit & laughter lives on in our hearts. We haven't seen as much of each other the last few years but time and space never separated the love we felt. Life moved us to other areas but our hearts stayed linked.

Even when times were tough and dialysis was going on in the background, Greg just covered up with his lap blanket and told more long embellished stories. No one could tell a story like Greg. I do rejoice knowing he's in the presence of God & once again he's talking with his Daddy face to face. He never stopped missing his Daddy.

“ Don and I so saddened by Greg's loss. He was a class act of a person. We always admired his ability to work so well with troubled youth. Needless to say, he was a wonderful husband and father to two. His family and friends can be so proud of the accomplishments in his life in his short 47 years. Greg will be sorely missed by many but especially by his family that leaned so heavily on him for support through the years. It was so nice that in the end his family was there for him to lean on for support. Cheryl, Caleb and Aaron were all so lucky to be able to have some heart to heart talks in the last few weeks.
