

## Gregory Paul DeVille "Big Red"

May 1, 1968 - February 4, 2016

Greg "Big Red" De Ville passed away peacefully surrounded by his loving family and friends on February 4, 2016. Greg had been recovering from a motorcycle accident since November. He met his dad, John and his brother, David at heaven's gate to enter the Lord's arms.

My brother meant so much to so many people. Greg had a way of stealing the spotlight of any room he walked into. First because he was a big, tall, teddy bear, but also because he was a very fun-loving, animated, charismatic person and would talk anyone's head off. Greg loved telling everyone about his past memories and he loved cutting up.

Greg had many loves, but Greg's number one reason for all of his happiness was the love of his life Vanessa "Fireball". They were high school sweethearts. Family meant everything to Greg. He leaves behind 3 children, Cassandra, Ted, and Gregory and 2 stepchildren Tim and T.J, which he treated like his own. He also leaves behind 2 grandsons, and 1 step grandson. Greg adored and leaned on his mom, Jean, and shared a special bond with his baby sister, Christine.

Greg LOVED motorcycles since he was born. In fact, that was his first word he spoke as a baby. After spending many years driving trucks across the country, he decided to fulfill his dream of becoming a Harley Davidson Mechanic in 2014. These past few years have been Greg's happiest. He became part of The Legacy Vets and now He and Vanessa are blessed with so many brothers that will care and love them forever.

Visitation with the family scheduled for Monday, February 8 from 6-8 PM at Sam Houston Memorial Funeral Home in Willis. Funeral Services planned for Tuesday, February 9 at 10 AM in the Chapel at Sam Houston Memorial Funeral Home in Willis.

In lieu of flowers, the family has requested donations be made to the gofundme account:
