“ I wish to convey my deepest gratitude for the incredible generosity, authentic care, and profound love that Greg shared so selflessly with everyone around him. Witnessing his kindness and the impact his presence as a father and grandfather had on our family is a true gift, one that enriched our lives.

The moments shared are now cherished treasures that we will hold dear in our hearts. May we continue to celebrate these joyful memories and reflect on how Greg's life has made a difference in each of us, allowing us to experience a sense of peace and feel blessed by knowing him. May love continue to fill our hearts when we think of him.

I pray that all family and friends find comfort in the all-encompassing love of God, which surrounds us all and provides us with solace.

With love,

*Your daughter-in-law,
Tina*

“ First of all, let me say to all of the family and friends you are in my prayers. May Jesus wrap his arms around you and comfort you all! I am so sorry for your loss. Greg was an awesome dad to my son in law Jesse and also there as a father to my daughter Candace Marie whom simply adored you. You were a Loving grandfather to our grandchildren and thank you Greg for all the memories you left us all. When I first met you I immediately knew where Jesse got his wit. You made me laugh when I needed it and I thank you for that. I Immediately knew that you were special, kind, loving, funny, and definitely a family man. You will be missed by many But I know that you will be in our hearts forever And left us all wonderful memories! You are now with our loving father and at peace In heaven!

“ Greg was more than a father-in-law to me—he was a bright light in our lives, someone whose smile could warm a room and whose laugh was absolutely contagious. He had a heart full of love, and he gave it so freely to everyone around him.

I'll miss our conversations, his jokes, the way he could make anything feel like an adventure—whether it was a drive down the road where we'd have the gps on and he'd turn the opposite way it said to and I'd say- "ummmmm you are going the wrong way." and he'd respond with, "Oh- it's just a suggestion!" or sitting around telling stories about the past. Most of all, I'll miss the way he loved us all and how he spent quality time with all of us - ESPECIALLY our children- his grandchildren. Such an amazing Man- Son- Father and Grandpa.

Greg, thank you for the love you gave so effortlessly, the joy you shared so generously, and the memories you helped create that we'll hold onto forever. We will miss you deeply and love you FOREVER AND ALWAYS.
