“ *I have known this family for many years, Gwen was a classmate in school, our siblings rode the same bus, her family is wonderful as was Gwen. Heaven is a little brighter now with her joining Juanita and little Billy. May God hold big Billy in his heart and guide him in this world*

“ I met Gwen many years ago when she worked for the Sheriff's department. She and my sister, Gina, were roommates, so I got to spend a lot of time with her and really get to know her. She is a truly a sweet, sweet soul and will be dearly missed. God bless her sweet soul and prayers for her children and all of her loved ones!

“ Gwen was a very special friend to me. Her Mother and my Mother were close friends. We both lost our Mother's at a young age. Now I have to see Brittany and Slade go through the same painful loss. Gwen was the sweetest, loving and most kind soul. Anyone who had the pleasure to know her would say the same thing. One funny story I can tell you about her. My husband Leonard and I took her to Delta Downs Race track & Casino with us. As we were going through the security check, Gwen realized she forgot to bring her driver's license. She was not allowed on the Casino floor. She laughed and said; "Oh well, I will just go and watch the Horse Races". She did and had a blast! I know she is in the arms of her Mom now. I will miss her everyday. Thank you Gwen for your sweet friendship, I will treasure it for all the days of my life. Rest in peace my sweet friend. Love Always, Rhonda Mikeska.
