“ *To the family of H.L.,  
H.L was in the High school class of 1943 and we fellows of that class mostly went to war. He went to the Navy and I was drafted into the Army. We did not see each other until the end of W W II. He and I worked at the Post Office for a period of time and he kept most of the crew in a happy mood with his various jokes and witty remarks. I recall that he had one of the first fancy Mercury cars probably in a late model from 1949 or early 1950's. Every one was so proud j15phto see him drive around town in it. He will be missed even though I don't get over to Huntsville often from San Antonio. I trust that he is in a far better place now.*

“ Dearest Families of H.L., I am so sorry to read of your loss. You probably don't remember me, but I certainly remember all of you and especially your wonderful Dad and Mother. I did not know about his Memorial service until this afternoon or I would have attended. He was a lot of fun to be around and I especially remember the days when he worked at Williamson Music Company. He was looked up to by all of us young folks. You have wonderful memories, I am sure. My sincere sympathy, Dorothy

“ *Debby,  
I read about your father's passing in the Item. You have my deepest sympathy. I don't even know if you remember me; but think back to TDC in the old Huntsville Memorial Hospital building. When I reminisce, I think about you. I'll be praying for you and your family.*
