“ Judy, I know that words are inadequate at a time like this but I wanted you to know how very sorry I am for your loss. Hadi was also so nice to me and I will remember the times spent in his company.

It is times like this that our faith is put to the test. We know that we must accept his passing and give thanks for the wonderful life he lived. As sad as it will be, we will always have the memory of him to hold in our hearts.

The Bible reminds us that "Blessed are those that mourn for they shall be comforted." I pray that this will be especially true for you as you mourn your loss.

I pray that God will give you the strength to see you through this sad and difficult time. My thoughts and prayers will be with you all.

“ Hi. I want to thank you for your words, I ask for prayers for my family. I know Hadi talked about the special people at the Plant, the funny stories he told. I know many of his friends & associates at Monterey were very special to him. The funeral home will be posting information on the pending services probably on Monday. I will continue to read and cherish the kind words that my friends and Hadi's friends have relayed to us. My sincerest thanks to everyone.

“ Hadi: you kept the smile upon my face, when I wanted to frown listening to your jokes and your peculiar sense of humor, kept me going here at Monterey; Now all seems lost without you my Pal, but I know there comes a better day for us all, when we meet again face to face, until then my newspaper pal, I will always remember you, with love, Gladys

“ There are no words that are able to comfort when you suffer a loss, only time heals the pain. I am going to miss Hadi a great deal. Seeing his smiling face every morning walking into work, brighten my day. I already miss him, his smile, jokes, and great stories he told. Judy, he was so proud of you and his family. "Try this, my wife made it." Always it was delicious. I hope you find comfort that he was loved and will be missed. My heart goes out to you.
