Lifting the family up in prayer today. So many memories of Halsen-- playing games at his and Sharon's home and the laughter. His love of his family and the Lord. He will be missed.

“ *Sharon, how saddened I am to hear the announcement of Halsen. What a blessing it was for me to run into you and Halsen this past Saturday and be able to visit after such a long time. Jan and I as newlyweds were so blessed to have such great neighbors as you Halsen and the kids. As a rookie correctional officer Halsen shared much needed advice from his own experiences both correctional and military. I will remember him with much respect. Jan and my prayers will continue for God's perfect grace and peace.*

“ *Sharon,*

Andrea and I send our sincerest condolences on your loss. Halsen and I worked together a number of years, and I grew to really respect him as a person and a professional correctional officer. He was such a unique character that I am proud to call a friend as well as co-worker. We are truly saddened by his loss and our prayers go out to the family.

“ My condolences to the family! Halsen was a one of a kind great person a man I respected and proud to call a lifetime family friend! He worked with my father at Wynn State Prison farm and I grew up around him as child! We went fishing numerous times and his family and ours always socialized together barbecues and such ! I know he will be missed! I know him and my father will be at the best fishing spot in heaven just save me a place with you too guys! Thanks Halsen for everything you taught me so much about being a man ! 🙏❤️😎
