Harold Lloyd Biggers Harold Lloyd Biggers, wonderful husband and father, resident of Waterwood, Texas and retired insurance executive. Harold went to be with the Lord on April 19, 2013. After a long battle with Myelofibrosis, he succumbed suddenly to cardiac arrest. He was born on November 11, 1934, in Dallas, Texas to Robert Biggers and Virgie (Storey) Biggers. Harold is preceded in death by his parents, and his brother, Clifford. He is survived by his wife of 56 years Jean Elizabeth; son, Douglas Lee (wife Cristina and step daughter Andrea Muniz) of Houston; daughter Debra Elaine Love (husband William) of Houston; brother Robert Eugene (wife Delphia of Lubbock, Texas; sister Virginia Ann Richards (husband Rueben) of Athens, Texas; sisters-in-law, Mildred Kennedy of Plano, Texas, Dorothy VanZandt of Dallas, Texas and many nephews and nieces. He began his long and successful insurance career starting as a clerk in the mail room of regional marine general agency in Dallas, Texas. Harold joined the Army in 1957 and upon the completion of his military service resumed his insurance career which eventually lead him to Houston. There he was fortunate to meet and work for Drew Farmer, then insurance manager of Brown and Root. His hard work and training led to the position of manager of insurance for M.W. Kellogg Company and then to Highlands Insurance Company where he retired as Vice President. After Highlands, Harold was employed by Peter Barbara and Associates, insurance brokerage, his last employment in the insurance industry. In his retirement Harold enjoyed playing golf and also donated his time to the Huntsville library

and Meals on Wheels. At Harold's and Jean's request there will only be a private service. For those wishing to honor Harold's memory, donations may be made to a charity of their choice in Harold's name. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com

“ *Dear Biggers family,
I was just beginning my volunteering and eventually work, while Mr. Biggers was so generously giving his time to the Huntsville Public Library. He was very kind and so helpful. It was always a pleasure to see him and his wife when they came to the library to browse and check out books. We will all miss him. With sincere sympathy.

“ *Dear Jean and family,
I worked for Harold at Underwriters Special Risks and Harold was kind and patient with me always. He had such energy and integrity. I was going through a difficult time in my life and Harold gave me wise counsel. I still have and use the briefcase he gave me when I left USR. I recall Harold's love of classical music and his broad smile. I was happy that we continued to keep in contact for years due to that land purchase! I feel certain that as time passes you will have his gentle spirit keeping watch over you. Harold was a good man.*

“ *This is indeed a sad day to hear of Harold's passing but I know that if anyone gets to Heaven, it's Harold because of his genuine goodness and compassion. Harold was instrumental in my family moving to Houston even though he said he had reservations about a guy born in Ireland with a wife from NYC settling in Houston. Well we did with his hospitality and advise. He was a committed Christian who was comfortable socializing with those who were not unless they used profanity. He was a wonderful friend and business associate and will be missed terribly.*

“ Jean and family,

We met Jean and Harold many years ago when Roger and I both worked for the telephone company. Roger still works in Waterwood and has had the pleasure of seeing both Jean and Harold around Waterwood. It was always a pleasure to visit with you both. Harold always had a smile on his face and friendly words to share with us. He will be missed. It was a pleasure to have been friends with him and Ms. Jean too. Please know that your family will be in our prayers during this most difficult time.

“ *What a blessing we received over 50 yrs. ago when God brought Harold & you Jean into our lives. God continued our blessings with being on all our Bed & Breakfast trips each yr. I will never forget Harold & you coming to Dallas for my Dad's funeral & immediately having to leave after the service to get back to Houston. It still brings tears to my eyes for such faithful friends. I will never forget Harold's voice & the great funny things he would say. Harold was so special & now he is with the most SPECIAL one & only in Heaven -- GOD.*

Dough & Debra & Jean, how blessed you were to have Harold in your life. We will continue to pray for you through this difficult times of tears & hurting. We love you. Nancy & Melton
