I can only hope that one day I will feel your arms around me and your voice in my ears, I think about you...a lot. I miss you and I would do just about anything to see your face again. I love you Dad. I hope you're here and one day I'll rest assure that you are nearby. All my love, Desteney

“ I still think about you, all the time; where you are at, what you are doing, if you are watching over me & if you have pride in us. I love you and miss you so much Dad. I just need something to let me know you are still here, or somewhere...somewhere out there. Where ever you are, whom ever you are with I'm mentally holding you in my heart and arms. love you.

“ First, may I say that I am deeply sorry for your loss and also that I never got the chance to thank Harold for being a good friend.

*When I first came to Conroe, I didn't know anyone and Mr. Hobson wasn't a very personable band director. Being a drummer in the band with Harold that year made it a little easier.*

*I just remember what a great personality he had and that everyone liked him. Personally, I really looked up to him. I'm quite sure that many people did. I can't believe he's gone...*

*Thanks Harold for showing me how to spin those drumsticks and how to have a positive spin on life. God bless you and your family. Thank you for allowing me this sad condolence.....*
