“ *I have no words to express my sadness at the loss of Harold. The world is a lesser place without him. But I know he is with God and the angels and I know even Heaven is improved by his presence there. I am sure of this and yet this knowledge can't diminish his loss, He was one of the finest men to ever walk foot on earth, a fun pool player, fun to party with, and a good friend of us all. With abiding respect and affection, Mark Weese*
