“ *So grateful for the many shared memories and experiences with the Bohan family. Harry is well remembered for great kindness (highly influenced by Grace of course) and to our family... through his investment in young men and their basketball interests. So many Little Dribbler players were influenced by Harry's character and humor. Our sympathies are extended to Grace and family. - - The Hoages*

Grace and family, you are on our hearts as you go -- and grow -- through Harry's transition to another dimension. As Willie Nelson expresses so well, this isn't something you get over; it's something you get through. (<https://youtu.be/rdtx-pxjX8A>) On our hearts!*

“ We are so sorry for the loss of Harry. He was such a pleasure to be around when growing up in the Ville. Harry had the ability to always have a nice or witty thing to say to make a person feel good. We will miss him as will so many others in our community!

Very Truly Yours,

“ Some of the best memories of my life include my goofy, funny Unk. Jeeping in Aruba. Pretending to Bull Fight in Spain. Becoming the Ghost at casinos. But there would quiet times also, like when I would get up early when visiting, only to find my Harry up already. We would sit and talk about family. I would listen. He would listen Our concerned expressed. A private time. A good time. Although they were my aunt and uncle, they were more like a caring big sister and big brother to my Eddie and me. I have a special place in my heart for each of them and my cousins also, Paul, Peggy, Kelly and Matt. Hang in, you guys, continue to butter the crusts. The hand of my spirit is holding the hand of yours.
RIP our “Unk”.

“ I'm so sorry to hear about Dr. Bohan's passing. I remember visiting the Bohan house as a teenager and feeling all the love in their home. Imagine my joy when I found out Dr. Bohan would be my Math professor at SHSU. He actually made the subject interesting and I loved attending his class. What was that rhyme he used to help remember the metric system? Tweeter McSkeeter was only a meter...

I'm sure Paul has already welcomed you with open arms. Rest easy, my friend.

Skeeter McGeeter and the Meter! Thank Jennie!

Skeeter McGeeter was an average guy, at times he was bold, at time he was shy...
