

## Heather L Terhune

November 27, 1976 - September 7, 2021

Heather Lea Terhune was born November 27, 1976 to Kay and Eddie Terhune of Huntsville. She was an engaging child and even at an early age, quickly involved herself in social gatherings where she used her creative gift to bring people together - an ability she would express later on in her neighborhood and family.

Heather was baptized at First Baptist Church in Huntsville when she was eleven. After graduating from Huntsville High School, she attended East Texas Baptist University where she earned a Bachelor's degree in Business Administration.

After various jobs, Heather found her calling in 2005 when she joined Baker-Hughes as their global traveler coordinator. As part of her job, she traveled around the world from Canada to Brazil, Qatar, England, Scotland and Italy. Her responsibilities covered travel and lodging arrangements to over 100 countries. She was deemed irreplaceable by her superiors. Besides her management skills, she expressed her gifted side with the acquisition of a guest cottage in Jefferson. She loved decorating and began her chalk couture lessons under the heading Sweet Home Chalking. She loved searching flea markets for treasures.

Wherever she went and whoever she was with, she added light and good fellowship. She went home to be with the Lord on September 7, 2021. She is survived by her parents Kay and Eddie Terhune, her special friend Edward Shelton, aunts, uncles and cousins. She will be missed.

Visitation will be held Monday, September 13, 2021 at 10:00 am, with a service immediately following at 11:00 am, both of which will be at Northside Baptist Church in Huntsville, TX. She will be laid to rest at Brooke Cemetery on FM 980. Memorial condolences may be made to the family at [www.shmfh.com](http://www.shmfh.com).

“ *With Heather, there was no pretense. You could tell exactly what she was thinking by the look on her face and her body language. It's what I loved most about her. We worked side by side for 4 years and traveled all over. We became very close. She introduced me to Jefferson and the surrounding areas. I fell in love with it! So much so, we also bought a cottage near Jefferson and we're able to hang out together when we were all there at the same time. Even when we got caught up in our own lives for a few months without speaking, every time we reconnected it was as if a day hadn't gone by. I know how close she was with mom and dad (Kay and Eddie) and my heart aches for them. I know Edward is in pain as well, and my thoughts are with you. She is in such a wonderful place now, watching out over all of us. She is probably already creating a new welcome sign at the pearly gates! ❤️*

“ My family was introduced to Heather about 10 yrs back through Edward at my son's little league baseball game when he was 9 yrs old. My son remembers her as the Candy Lady, that's because Her and Edward gave him a bag of candy for after the game, truth be told he ate most of it before the game. Her and Edward have celebrated family birthdays and events at my house over the years and she was welcomed immediately by my family. She will be missed but her legacy will be remembered forever.

“ *Heather and I planned and decorated so many party rooms for Baker Hughes. We were always laughing and enjoying every second of our time together. She volunteered at my church with me, watched my kids grow up. She will always be one of my closet friends. I love you Heather and you are and always were an “Angel” to me.*
