“ *I have known Pigeon for over 25 years from the beauty shops now to WalMart. My Wednesday mornings that I went to WalMart will never be the same now...I loved to stop by the garden shop and talk to Pigeon for the past several years. She was fun,lively,and just a great person. I will miss her terribly. I know you are in Heaven, Pigeon. Love you, Toni*

“ A lady who impacted the life of all that crossed her path... Caring, loving, strict, tough... Determined to keep her independence... A friend for life... A devoted pet lover... A matriarc of her family... A mentor full of knowlege that she never hesitated to share... Her cheerful personality even at times of pain was admirable!!!
MAY GOD HOLD YOU IN HIS ARMS PIGEON!!
I regret having made my life too busy to keep in closer contact... but I will trasure the time that we shared together.
To her family I say I am so very sorry for your loss, I know not a word I say would ease your pain... I just hope that knowing her in a better place, brings you the comfort that you need at this time of sorrow... She's finally home with her loved ones and she's smiling with pride looking down on you.
