

Henry Lionel Begnaud Jr.

October 16, 1947 - October 7, 2020

Henry Lionel Begnaud, Jr. was born on October 16, 1947, in New Iberia, Louisiana to Henry Lionel Begnaud, Sr. and Sara Agnes Broussard and went home to the Lord on October 7, 2020, in The Methodist Hospital in The Woodlands, Texas. He died at the age of 72 surrounded by his wife and children.

Henry was a hard worker, devoted husband and father, loving grandfather and friend to all he met. He worked for Amoco/BP for 28 years after which he continued his work with Nippon and Nexen for an additional 4 years before fully retiring in May of 2013. He spent his years of retirement enjoying his yard, golfing, fishing and doting on his grandsons. He loved people, he loved friends, and he loved good Cajun food (and anyone who would cook it for him).

He was preceded in death by his father, Henry Sr. and his mother, Sara. He is survived by his wife of 45 years, Wanda Hebert Begnaud, his daughter Brooke Bethany Begnaud, daughter Christopher Begnaud Caskey, son-in-law Cody James Caskey, and son Jonathan Eric Hebert Begnaud. He is also survived by his two grandsons Augustus Begnaud Caskey (8) and Remington Cody Caskey (4).

Special thanks to the doctors, nurses and staff at Methodist Hospital The

Woodlands and Dr. Eric Bernicker of Methodist Houston for their kindness, caring, and support throughout his cancer journey.

In lieu of flowers, please consider making a donation to Methodist Hospital Lung Cancer Research Program or the American Cancer Society.

“ *What a great picture!! Looks just like him the many times he looked at me and said " You want to do WHAT?" In Amoco, in drilling we were blessed to have so many quality character individuals who respected, listened to, and bonded together. Henry was truly an example " what we can accomplish if we are not concerned with who gets the credit". It is good to see the comments of others who voice the same admiration. And to read that that leadership and support extended to all he did in his life. May his family take comfort in knowing how much he helped so many and how much he contributed to those whose career was intertwined with his. He is truly remembered and will be missed.*

“ Working with Henry in Lafayette Offshore, New Orleans, and Houston was fun filled! I remember when we were all moving a bunch got together to have stuffed pork chops one night! I am certain Henry was the one sharing how best to cook them! He was a gentleman and I'm happy to have known him. I wish Wanda and family peace and comfort!

“ I met Henry back in 1983 in Lafayette when we worked in the Offshore District. Good guy. I could relate to Henry as we were a bit "older" than the resident crowd. Henry was very friendly and imparted his sage wisdom to the younger folks that were new to Amoco on how to do work and do things at the company. I remember he was always attentive to his parents health as he was pretty thoughtful. He had a humorous side and we all had such a great time "back in the day". I'll miss him- he left us way too early. My prayers go out to Wanda and the family.

“ Henry was such a class individual. I really enjoyed our professional relationship and the opportunity I had to work with him in my time at BP. My prayers go out to his family at this time. God bless you Henry - see you on the other side.

“ Such a sweet, witty, straight-talking guy who helped me get the right contacts leading to my job at BP. I will forever be beholden to Henry for that! And when I got to BP, everyone had nothing but warm things to say about him. A great guy simply gone way too soon. Thankful I got to see him and Wanda within the past year or so. Prayers for Wanda and the family through this difficult time. 🙏

“ I met Henry around 1990 while working for Amoco in Houston. He was a joy to be around. Got the opportunity to work more closely with him on the VAMM project in 1994-96! Again a great pleasure to work with him. His calm and insight were a gift. Also enjoyed running into Henry and Wanda at Hobby Center theater performances over the years. We always talked about meeting up for dinner sometime but we never pulled that one off. Opportunity missed my friend! Ms. Wanda and family; am truly sorry for your loss! R>I>P> Henry!

“ *Henry and I worked together more than 30 years at Amoco/BP and Nexen. He was an excellent and loyal employee and valued contributor for those companies. But more importantly to his co-workers, he was a great friend who encouraged, supported and sincerely cared about the people he worked with. Henry was loved and respected by us all.*

My condolences to his family. He talked about you all the time and made it clear that it was you who brought him the most joy, happiness and purpose in his life.
