“ I have very fond memories of my uncle Archie. I have always remembered the times we had with him and the family on Christmas day. They had the biggest Christmas tree I ever saw, of course I was just a mere child of three or four feet. I find it hard to believe he is gone. Christmas at his house seems like it was only yesterday. I wish I could turn back time and bring him back to those days. We will surely miss you uncle Archie, you are what GOD wanted of man. Rest in peace and GOD bless you.
