“ *Just found out about Mr. Macik. So sorry I wasn't at the Funeral. Mr. Macik taught me science at Klein. I would run into him at different times in Huntsville, where I also live. I would always remind him that he taught me science in school and how much I enjoyed his class. He was a fun teacher & I learned alot from him. He always smiled and seemed so proud. I will miss him. Please know you are in our prayers.*

“ *I have never met a greater gentleman. I had the pleasure of taking care of Mr. and Mrs Macik more times than they probably would have liked but it was always a joy to see them. I have never seen a man more devoted to his wife. She was clearly the love of his life. He would make sure he had asked every question he could think of to make sure he took care of her the way she deserved.*

Even in his last years when an ordinary man might become discouraged with the hand life had dealt him he was still a beacon of hope to those he would greet at church. They don't make many like him anymore I'm afraid. He will be missed.

“ Dear Macik family: I was shocked to read of Henry's passing in the Huntsville Item. I was a Secretary in the Counseling Office when he was a Counselor. He was a hard-worker, wonderful HHS counselor and we were all like one big family. He will be missed and remembered. Lillian Lanier
