“ *None of you will know me, but I am an old class-mate of Henry's. Went all through Jr. High and High School with him. He was a wonderful guy and we all loved him. He had a wonderful smile and a great personality. I am sorry that I did not keep up with him after High School. We have missed him at our reunions. May God bless all of you.

“ *We are thinking of you and of Henry. We feel so fortunate that we got to know him as our neighbor and friend during the last two years. He has been an inspiration to us because of his positive attitude toward life, his acceptance of his disability, and his tremendous sense of humor. We will miss waving as we pass his window, but we know he is in a better place.*
