“ *Our prayers are with you during this difficult time. We regret that we can't be there to support you. God's grace will fill your void because Bubba was a child of God and he is now with HIM. We will certainly miss him too. Thankfully we have a lot of good memories of him. These memories will sustain us. The great memories of family reunions with you will be with us always. Our love.*

“ *We share your grief, but isn't it comforting to remember that the same Lord Jesus who calmed the raging seas, is saying to your troubled heart: "Peace, Be Still. He's here with Me! Safe, Secure and free from earthly pain.*

“ Dearest Sis, Herbert Alton, Judy and Mary, It is very hard to find the words to express to you the feelings in our hearts. Bubba was our brother and we loved him very much as do we you, also! Bubba was one of the best men, I have ever known; so easy going, soft spoken and kind! He was truly a gentle soul! He was deeply loved and he loved deeply in return! He will be greatly missed, but God's promises are true! He has promised us that His Grace is sufficient; Lean on Him in the days ahead! We love You! Our loss is Heaven's gain!

“ Aunt Jewel Dean, you know how special you and Uncle Bubba are to me - like second parents. I will miss Uncle Bubba so as I know you will, but know he's in the company of angels. He was such a soft spoken, gentle soul who loved his family, and I hope you know how well he was loved. You are too, and we're here for you if you need us.

“ Wish I could be there... am heartsick for you, but happy for Uncle Bubba because he is healthy, and he is finally home. I am grateful that the loss is not near as great as the gain that has come. Please know I am praying for you. Love you much... you and Uncle Bubba were two very, very special people in my life. I love you and I'll be praying for you. Keith, Karen and kids.
