“ My mom and I were so sorry to learn of Herman's passing. And even worse, I didn't hear of it until this evening, too late to attend the visitation and funeral. We have been delivering Meals on Wheels to Herman and Lucille for over a year now and have enjoyed each and every visit we have had with them. Herman was always wearing a smile and never failed to have an interesting story to tell...what a fantastic man we have lost! We will dearly miss him!

Please tell Lucille that we will keep her in our prayers and are anxious to see her again. Please keep us posted of her whereabouts so that we can keep up with her.

With deep sadness, Hulda Coskey and Minerva Lawrence, Tuesday Meals on Wheels deliverers
