“*Doc was the Best of the Best! An exemplary man and leader. I worked for Doc in the AF District of Washington DC. After returning from Desert Storm I met a new staff at Bolling AFB with Doc as lead. He and Annette were so welcoming and fun. Many stories. He was always good to me, invited me to join him on many formal occasions, ministries, facility cleaning, and social's too. He lobbied and sent me to resident Air Command & Staff College. He me called vis phone latter at other assignments, and after retirement too. He reported having failed retirement now serving one of his Texas Methodist Churches. He loved Texas talking on the US of Texas. Thank You Doc for your exemplary and selfless service and much respected friendship. You made a difference, and cultivated a vast following of friends in the process. I am honored to have been included. RIP Sir! I will never forget you.*

“*We were so blessed to have him as our minister, teacher and friend. He was a lover of the "Word" and shared the teachings of Christ with his life. We remember his unique humor in his teachings and called them "Doc isems". Our prayers for his wife, Annette and daughter, Jennifer as they grieve his loss. Well done God's loyal follower.*
