“ *Ken,*

Your Mother was my teacher from 1983 through 1985. She was one of my favorite and close teachers at Dobie. During a troubled time in my life, she gave me the best piece of advice that I still use today. She said, "Make a decision and do not look back." I made that difficult decision at 17 and never looked back. I have thought of her often over the years. I was lucky that she was there for me. May God bless you and your family with the loss of your dear, Great Mother.

“ *Just wanting to let you know that I had your Mother as a teacher at South Houston High School in 1960-1961. She was one of my favorite teachers. She was always very sweet and helpful as a teacher.*

God bless her and your family as you deal with her loss.

“ I was blessed to have taught with your mom for 15 years at Dobie until she retired. She was a wise teacher who guided me through my first years at Dobie. I have many great memories of our talks especially when she left me with her "Co-op" class. I called her several times for advice about what to do and she would calmly talk with me about how to work something out. She was a wonderful mentor. I'm sorry we were out of town and did not get to the visitation. God bless you.

“ Dear Ken,
I was fortunate enough to teach with both you, at Miller and SH Intermediate, and then with your mother at Dobie. You were both so much fun to be with because of your delightful senses of humor. My heart is with you at this difficult time. I know you will keep the family spirit alive!
