“ *I was saddened to hear of Don's passing. I am a cousin of his on my mother's side of the family. Don and I were close friends when we were both young, taking turns visiting each other in Silsbee and Port Neches, where I lived. We spent many happy days playing together and they were an important part of my childhood. I saw him last a few years ago at the Knupple Cemetery for our Mother's Day visit. I remember he was looking forward to his upcoming retirement. I wish he had had more time to enjoy it. My sincere condolences to all his family.*
