“ *Dear Ann, Marcus & Mrs. Barnett & family,  
We just want you to know how much we appreciate you inviting us to the church to have lunch with the family after the service. Also being listed as one of Mr. Barnett's special friends meet so much to me. I remember my years at HHS, I guess I was sort of a "troubled teen". I didn't care much about school but I always looked forward and could hardly wait for Mr. Barnett's class. Working with my hands was good therapy for a young boy like me with not much self esteem. It was in those years that we began our freindship. I know I'll never have a better friend than Mr. Barnett, and there is not a finer man anywhere. I've said it once and I'll say it again, his life was as straight and plum as the projects he built. May God continue to bless and be with you in the days ahead.*

“ Oh Mrs Barnett, Ann and Family, I was just looking at the Huntsville Item website and saw Mr. Barnett's name. I was so saddened to read of his passing. I too have fond memories of your dad Ann and all the times you and I spent together at your home and at church. Just know you all are in my prayers but just remember that some day we both will be back with our Daddy's. They are together probably sharing memories of us too. Love you, Pattie Sue

“ I was in Mr. Barnett's D.E. program in high school (about 1977-1978) and thoroughly enjoyed the class and the program. He helped me to build the strong work ethic that I have today and think of him often. I would drive by his house on my way to/from work and would see him outside tinkering in his shop or in his garden and always had good memories of him. I am so sorry for your loss but know that he is with our Lord above and know that we shall all meet again! God Bless...

“ I had Mr. B in D.E. At HHS. He was such a positive influence and believed that his students could reach their full potential. he was a man who walked the walk. Mr. b was one of my favorite teachers that I ever had.  
He would always be at church with a smile to greet you. I know that God greeted him with a smile.  
Blessings to his family,

“ Mr. Barnett was a really kind, and popular instructor at HHS, most of my friends who took his class had a lot of respect for him, he was like a father figure to them, scolded them when they needed it, but they also knew they could go to him with whatever problems they might have. I had a math class right next to his class/shop so I observed him on a daily basis. I wish I had kept up with his through the years. My prayers are with you, his family.

Sincerely,

“ Margaret, Mark and Ann,  
I just want to tell you I love you and I'm praying for you at this time.  
It hurts me that we have all the wedding plans made and it's  
causing us to miss the funeral. You came to my dad's service and it  
meant so much to me. We want to be there with you too but can't  
and it is tearing us up. Looking forward to bringing mom down to  
visit with you later.  
Thought and prayers are with you,  
Melody
