“ *I am so sorry this is so late. I just found out about it. God place her in my path when I needed someone who knew and understood what I was going through. She was the leader of my Cancer support group. We had many laughs and cries. She was so gracious and caring. I am so sorry for your loss, Larry, Denise and Charlotte. I had just inquired about her at church several weeks ago. The person I asked did not seem to know anything. Judy and Larry Miller*

“ We were fortunate to have been your neighbor for 24 years, with just a patch of trees between us before we moved. Because of your consistent presence, we felt a sense of security. We are sad for your great loss but feel confident your many years of good memories will be a comfort to you and the entire family. Eve and Carl Kunce
