“ I want to let you all know how sorry I am for your loss. At times like this it is hard to find the words to express my sympathies; the standard phrases have already been said so many times...

We have shared a lot of good times and survived the bad times, and I want you to know that you all are like family to me.

Jack will be greatly missed by many people. My heart and prayers are with each of you. I am so sorry you are going through this painful time.

Love,

Jill
