“ Mrs. Cole,
I am so sorry for your loss. Mr. Cole was a pleasure to take care of. He always had a smile on his face and a humorous joke to tell. I admired his strong will and determination, despite the adversities he faced. I truly enjoyed each time he came to the clinic. The joy on his face when he showed me the pictures of his new house is something I will cherish. He was so proud, and it is unfortunate he could not have enjoyed it longer. I know he will look down with pride at all the success he had in his life. You have my deepest sympathy at this very difficult time. My prayers are with you and your family.
