

## Jack Haley Dean Jr.

December 26, 1946 - May 3, 2019

Command Sergeant Major (RET) Jack (Jackie) Haley Dean Jr. passed away at his home on Friday, May 3, 2019. He was borne in Shreveport Louisiana on December 26, 1946 to Jack H. Sr. and Olivia (Smith) Dean.

Jack spent his early years in Vidalia, Louisiana where he graduated from Vidalia High School. Following graduation, he enlisted in the United States Army, where he served his Country honorably for 25 years. He is a veteran of the Vietnam War, where his bravery earned him several medals; including the Silver Star with "V" Device for Valor, Bronze Star (3rd Award), Purple Heart, and Meritorious Service Medal (2nd Award) along with a Presidential Citation being awarded to him by President Ronald Regan. After his retirement from the U.S. Army, Jack gave an additional 15 years of dedicated service to the State of Texas, where he retired from the Texas Department of Criminal Justice in 2000.

Jack lived a simple life, where he enjoyed hunting, fishing, and spending time with his grandchildren. He lived his life by a set of standards that are as follows; respect must be earned and never demanded, always lead from the front, never ask someone to do something you have never done or are not willing to do, stand your ground, and never ever give up. Jack was a giant of a man that impacted many lives in this world. He found Jesus late in his life and was called to take his place among God's warriors in Valhalla.

He is preceded in death by his parents, grandparents, and youngest sister Yvonne.

He is survived by his wife, Sue, two sons, Jack H. III, Travis, and their wives Tandi and Sarah, along with four grandchildren, Tyler, Shelby, Easton, and Hayden. He also leaves behind to cherish his memories; sister, Pat Bowlin, Brother-in-laws, Glen Bowlin, Fred, and Tom Lambert, along with nephews; Tom Jr., Thomas Lambert, Jeff Bowlin, and Vic Brown.

“ I worked with Jack in the 1990’S at the Estelle Unit.  
He always stood tall and straight and encouraged me to do the same. I was young in my early 20’s and looked up to him and occasionally he would share a war story with me.  
On one occasion I arrived at his house after we worked one night. We, mostly him, took the engine out of my truck and replaced it with another engine I traded for with Jack.  
I worked until I could not hold my eyes open and fell asleep on the garage floor while Jack worked. I awoke on the couch a few hours later to find Jack still working. I left later the next day with the engine running in my truck that Jack built.  
I visited him a few times after he retired.  
I was glad that my last visit was less than a year ago.  
I did not find out that he passed away until today at lunch or I would have attended the funeral.  
God bless, as a great warrior joins the Lord.
