“ *Dear Theresa, John, Jimmy and family. I just want to express to you how much empathy I still feel for you, the boys and Tish. Being Jacks sister, I have never felt this raw pain I still feel in my heart, even though I know he is in heaven making music with our dad and all the other musicians. He was awesome! Love Nita*

“ When we read the obituary then talked to Julia who had just learned about Jack's passing, our hearts broke. We have known John and Jimmy for so long and have always thought of both as such fine young men. We knew they had had great parenting.

*Please know that our thoughts and prayers..and tears..are with your family as you grieve this great loss. I am sure Jack was a great man.*

*Please let us know your needs so we can be of help..in any way.*

“ Theresa,

*Our most vivid memories of Jack were during Hurricane Ike. He was always available to lend a hand, offer warm conversation, and share his ever-present smile. What a great guy. We couldn't ask for better neighbors. Our deepest sympathies go out to you and your family.*

*We are just a few steps away if you need anything.*

“ *My Loving Sister, Corey, Bryan, John, Jimmie and Tish: Some men leave their mark on the world by the way they live and the difference they make in the lives they touch. Jack left his mark on the world with his music and touched a lot of lives by his wonderful smile and his relaxed sense of humor. Jack was a wonderful husband and a friend with all whom he met. We love you all and Jack will ALWAYS be in our hearts.*

“ Theresa, My heart goes out to you. Jack was a wonderful man and a great musician. Look to God for your comfort. Memories will ease the pain. He is now joined in Heaven with my father (one of his friends) who also was a steel guitar player. Imagine the duo's they are playing now. One more great musician playing for the Lord. God Bless You and comfort you in your time of need.

“ *My Dearest Sister & Nephews,  
You are in our thoughts and prayers.  
J.D. & I have felt so blessed to have known Jack. Such and  
awsome brother-in-law!! I like to believe that when we lose  
someone close to us they still live through us and give us strength.  
The time we have spent with those we've lost makes them part of  
us. I love you all and Jack Patty will always be in our hearts. J.D. &

“ *John, Jimmy, and Tish  
May God comfort you in these trying days ahead. Know that he is  
always there and look to him for comfort. Your father is healed and  
in a much better place only waiting until the day you are reunited  
with him. What a day that will be. I can't wait...maybe I can hear that  
beautiful music everyone talks about. The Hurst family loves you so  
much. We will be praying for you and we are here if you need  
anything.....*

“ *Theresa, it is with heavy heart I write this. I am so sorry for the loss  
of such a great man, great friend and awesome talent. I will forever  
be indebted to Jack and will cherish the moments we shared  
recording together in his "studio". Thank you both for inviting me  
into your homes and into your lives. I know he will be truly missed  
as he plays for the heaven as the Angels sing. Again my deepest  
sympathies, and may God bless you and your family in your time of  
loss.*
