“ *Diane I am so sorry to have heard about Jack's passing. There are never words to say at a time like this, but I wanted you to know that you and the family are in my prayers. With much love Patsy Walker Duerer*

“ *Dear Dianne, I was related to Jack -- his mother, Dorothy, was my father's cousin. I learned of Jack's death most curiously when doing some research on Prout family genealogy yesterday and today. I am so sorry to hear of his death and will keep you and your family in my prayers. I would like to talk with you and share part of a letter Jack's mother wrote to my mother in 1988. I will try to find your phone number and give you a call. Again, my sincere condolences. John Prout Knight, Springfield, VA*

“ *Dear Dianne, Jeff, John and Family, I am so very sorry for your terrible loss. I would have been at the memorial service on Monday but was out of town the whole week with sick grandchildren. Please know that you are all in my thoughts and prayers. God bless you all. Love, Carol Nichols*

“ *Dianne, John and Jeff,  
My heart goes out to you and the whole family at this time of unimaginable loss and sadness. Please accept my heartfelt condolences. I too have wonderful memories of Jack and his brother and sisters at Dottie and John's home when Mom, Dad, Lynne, Lisa and I would "make a day of it" in Huntsville. My thoughts and prayers are with all of you.*

“ Jeff, it's been such a long time since we last talked to one another, but I'm very sorry to hear about the loss of your dad. I still have the best memories of us playing as kids at your house in Huntsville across from the track. Fighting with swords in the hallway, playing laser tag around the house, climbing the tree in the front yard (which always had ants in it), and doing the "wise-man psyche". I can't imagine what you, your brother, and mom are feeling right now, but we are all praying for you. Know that God is in control and even the worst moments can be part of a greater good.

“ Jack was my friend. I will always appreciate how much his parents helped me when Lynne and I were in Huntsville. We got to work with each other several years ago, and grew close. When his family settled in Tennessee, we stayed in touch by email. We discussed politics, books we had read, and our kids. He was so proud when Jeff went into the Navy, and he was equally proud of John and his work in the theater. He always told me he wanted to return to Texas.

*I will miss him, his wit, and his writings. I am a friend with part of my heart missing.*

*My thoughts and prayers go to Dianne, John, Jeff and his sisters, and brother.*

“ Of all of the titles that have been affixed to me throughout my life as a teacher, the title "Coach Bohan" is the most dear to me. That title was assigned to me as a math teacher and coach during my six years at Huntsville Junior High. It's hard to imagine that young boy (in my mind) is no longer with us. Jack has been in my thoughts continually since I heard of his passing. In particular a story about something that happened during 7th grade track meet. I send my thoughts and prayers to Diane, her sons and his brother and sisters.

“ Growing up in Huntsville was a wonderful time . Jack was a good friend while I was there. He had a kind soul and a warm heart. His love for his family was known by all that knew him. He was so proud of you all. He touched the hearts of all that knew him and left warm, happy memories for us all. My prayers are with you.

“ We are going to miss Jack immensely. He was an anchor in our crazy world, a true Texan and a patriot, the best read person ever and was always a comforting voice. Jack and Dianne should be so proud of their 40 years of marriage and the wonderful sons they raised. Jack has been a true loyal loving friend and has added so much to the quality of our world. Jack has been a best friend to Marcella and I as long as we have been together. God bless ya'll.

“ I still picture Avenue O with the O'Bannons, the Phillips and the Murrays living bunched up in the same block. That is a very quick, long ago snapshot in time, of course, and lots of moving around took place that re-arranged it all. But, still, I recall the comfort of families knowing each other's children and dogs and cars (and reporting if any of the aforementioned looked like they were in the wrong place at the wrong time). I am thinking today about the wonderful Phillips family of yore, and the Jack Phillips family in particular in this time of sorrow. God bless all of you.

“ To Diane and children: I worked with Jack at the Walker County D.A.'s office several years. He was always kind and considerate to everybody and not only myself, but all of our staff really enjoyed working with and just knowing him. Thoughts and prayers to your family.

“ Jack's mother, Dottie, and my mother, Marge, were first cousins. So we were cousins, and were often thrown together when my parents came through Texas, and his family came through Oklahoma. The childhood memories with my two sisters and Jack's two sisters and brother hold a special place in my heart. We had lots of fun at their house on O Street (I think that was the street). Through the years, Jack and my husband, Danny, kept in touch by e-mail and phone, and became good friends. We loved to read Jack's beautifully written letters and occasional "rants." I will miss him very much. He was a good man. I send my thoughts and prayers and love to Dianne, John, and Jeff.
