“ Mary, we were so shocked and sad to hear about Jackie. He was a very special man..I loved him from the time I met him, and later after Buckie and I had our boys they reminded me of Ronnie and Jackie in so many ways. Like Donnie was the love of Ronnie's life..so were you the love of Jackie's. I know it will be hard for you..and the kids and grandkids he loved so...But God called him home where he will wait for you. Buckie and I have a song we love that we will have played at our funerals..."I Will Meet You In The Morning".....May God's peace surround you and be with you during this very difficult time...Love, Marilyn and Larry Buchanan

“ I have loved you all my life even when we were mad at each other. When you came here on the truck I was so happy to see you. You were my big brother I never had and I was the sister you never had. I love Mary and all the kids. I miss being with the family at this time. Love you.

“ PawPaw was the most generous, loving, caring man that I have known. He was a hard working man. He lived for his family. We threw him a surprise 65th Birthday party this past weekend, and I could see in his eyes. He was just soooo HAPPY! He was thrilled. He was such a skilled driver, that in his last moments he took his big rig off the road in a safe manner without harming anyone. He did a wonderful job. He is loved by many and will be missed even more. I love you Dad!:) Love, Nicole

“ To all of the family, I am so sorry for your loss. Jack was a very loving and caring person. He loved all the kids and all animals. He will be sorely missed I'm sure. I pray for God to give each one of you peace and fortitude to live each day as best you can. May God bless and keep each of you in his care.
