“ *I am so sorry for your loss. Jackie (AJ) helped raise me until her first husband passed away . She then moved to Huntsville and remarried I still kept in touch and visited often. It's like losing my mother. I will see both AJ and EJ in heaven one day. I send my love to the entire family*

“ We are so sorry for your loss. Our precious Nanny was always such a blessing. She took care of our daughter Shay from the time she was six months old until she was almost three. That was almost 30 years ago. Nanny was family. She loved Shay and never blinked an eye when asked to keep her. We loved Nanny and recommend her to anyone needing a loving, quality care giver for their young child. I saw Nanny and her husband in Walmart about six months ago. It was so wonderful catching up and remembering the past. She was as beautiful and vibrant as I remembered. She was so happy with her husband. We will miss her so much. Wherever a beautiful soul has been there is a trail of beautiful memories and we know your hearts and souls will find peace and comfort in those memories. Please know you are in our thoughts and prayers.

“ Jackie George was a precious Christian lady. I thought so much of her. She raised sweet twin daughters. She used to babysit children. She was a fantastic cook. She always had a smile, dressed so nice and I never saw her with a hair out of place. She used to go to my church. I saw her about a month or two ago and she introduced me to her new husband. They looked so happy.

“ Nanny was one of a kind. I have a wonderful memory of Morgan and Gatlin "painting the fence" at her house using spray bottles full of water. They had been painting all afternoon. She was magic with kids, and she was a wonderful blessing to our family. I know you will miss her, but you will see her again in glory.
