“ Sharon,

I wanted to tell you how sorry I was to hear of your husbands passing. Please know I am here for you if there is anything you need. I pray that you are comforted not only by your friends and family during this time, but that you find comfort in God as well. He said that He would never leave us nor forsake us. I know from experience that in difficult times, I have been able to rely on Him for peace that surpasses all understanding. He has always been faithful and loves you so much. Again, you are in my thoughts and prayers.

“ I first met Jack 15 years ago when Dawn and I came to TX to see him. He took me in and trated me like one of his own! I am glad I got to know him and I throughly enjoyed his company. I could always count on him to bust me up for being a Browns fan (and of course reminding me about how good the Cowboys were)No matter how bad he felt, I knew that if I was in between flights in Houston and I called him.....he and Sharon would come and get me at the Airport so we could have lunch and catch up. I am going to miss him.
