“ *To my beloved Mamaw,  
words cannot begin to explain how much i will miss you. I was very blessed to have such an amazing woman as my grandmother and I will cherish our memories and hold them close to my heart. I am at peace knowing you are no longer in pain and watching over me from heaven. I know you will be right there with me when i graduate school, get married,have children and that eases some of this pain. I love you mamaw and will miss you so much.

“ *I am so sorry to hear about Jackie. We were neighbors at THE LODGE At SILVERDALE. we visited back and forth when she was living here. After she moved we called each other pretty often. I wasn't able to reach her for the last few months and thought about her a lot. I was shocked when I read about her in the paper. I am praying for all of and please accept my condolences.*

“ We read this sentiment and wanted to share it with you and your loved ones.

*"Those we love don't go away,  
They walk beside us every day.  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.  
Wishing you hope in the midst of sorrow,  
Comfort in the midst of pain." -anonymous*
