“ *I just learned of Jack's passing but wanted to write a note to the family to say how much I appreciated him. I don't get that way often but a few years back I stopped by and visited with him and Ruth. They came by Yosemite years earlier and spent a little time with me there.*

I was just one of the many students he inspired. He was a fine man and I am honored to have known him and called him my friend.

“ Judy, King and all of the family. We are sad to learn of J.A.'s death. He and Ruth were neighbors when we moved to Huntsville in 1969. Joyce worked with Ruth at Gibbs Elementary and I had the privilege to work with J.A. at Sam. We remember many good visits with them and had a great respect for their contributions to the field of education and the Huntsville community. We rejoice with you for the life they lived and in the knowledge they are together this Easter.
