“ *John and Family,
My prayers are with all of you. We have to remember we are not sad for him but for those who have lost him. He was a very special man and he knew what mattered in his daily life. God Bless all of you and I know we will see all of the people we lost. Love all of you!*

“ I remember when Uncle Virgil, Aunt Lucill and all the Cook Kids moved from Madisonville to San Antonio. I thought I might never see them again. As fate would have it, two years later, we also moved to San Antonio. Not only did we move, we all lived in the same house. Richard, Dan, James, Jackie, Kay, Sandy, Butch, Buster (Me), Toe & Sammye JO. Two years later, we all moved to Houston. I always looked up to James. I can't remember him ever saying anything bad about anyone. Then again, I also can't remember anyone having anything but good to say about him. Your Dad loved your Mother dearly. Now they can embrace and rejoice together.

“ Dear Cindy and family,
How I wish I could be there to put my arms around you during this time of loss. I remember well how much you loved your dad...also how much he loved you. My heart aches for you and the sorrow you are feeling at this time. From all that I learned from you...I know your dad was a very warm and caring person. You are a lot like him. Please tell the rest of your family that I am so sorry for their loss. I love you.
