“ *Karo, we were heartbroken to hear of James's death. What a tragedy for all of you. Please know our thoughts and prayers are with you and we hold you in our hearts with all of the good memories. If we can help in anyway, let us know. Larry Graves will know how to reach us.*

“ *Caroline and Lesley,*

We are so sorry to hear about James. There are not enough lines here to tell ya'll how much we loved him and you two. Through out our lives we meet very few people who can have the kind of impact on our lives and James was one of those special people. If ya'll have a get together, we would appreciate the chance to be there. Take care.
