“ *Lyn, Scott, and Family,*

My heart is filled with sadness over the loss of Uncle Jimmy. I was filled with guilt when he asked me Tuesday if I had brought the pecan pie - I knew when I walked in he was going to ask me. The funny thing is that he was the only one that ever asked for anything that I cooked. I guess that meant he loved me...not my pecan pie!

I will miss him and can only say how sorry I am for your loss. He was loved by many but none will feel it as you all do.

*My Love to All,
Nancy*
