

## James Patrick Hadley

February 9, 2007 - April 30, 2023

James Patrick Hadley, 16, of Willis, TX died at the Baylor Scott & White McClain Childrens Hospital in Temple TX on April 30, 2023. James loved riding horses, lions and music. James had an infectious smile and loved making everyone laugh. He had a witty sense of humor and loved his family. His physical disabilities never slowed him down and he was willing to try anything. He was known for saying "high four" and embracing that he only had 4 fingers on his right hand. He enjoyed swimming, swinging and cooking. James tried hard to be a friend to everyone. He wanted to be a fashion designer when he finished college. He dreamed of living in New York. During his recoveries from one of his 14 physical surgeries, he enjoyed watching the city lights from his hospital bed.

He is survived by his parents, Johnny and Pamela Hadley; his paternal grandfather, John Hadley; his maternal grandmother, Brenda Wingert; his brothers, Brad Hadley and his wife Lori, Chris Hadley and his wife Windy, Tyler Kaminiski, Michael Kaminski and his wife Kristen, Matthew Staab and his wife Priti, and Timothy Hadley; his sisters, Rebecca Hadley, Sophia Hadley, Abigail Hadley, Olivia Hadley, Sadie McNutt and her husband Wade, and Hope Hadley. He is also survived by numerous nieces and nephews. His family would like to draw attention to reactive attachment disorder and suicide prevention, but in lieu of flowers donations be made to Resolution Ranch. <http://resolutionsranch.com/>
