April 21, 1940 - January 20, 2024

James Bernard "Jim" Hosrich, age 83, passed away on January 20, 2024 in Huntsville, Texas. He was born on April 21, 1940 to parents Ladislaus and Clara Lyro Hosrich in San Antonio, Texas. He was already working at the age of 12. After High school he joined the US Navy. James served on the aircraft carrier USS Bennington. Returning home from the Navy he married Dorleen Knoll, and they took up resident in the city of New Braunfels on the banks of the Guadalupe River, settled down and had 2 children Stacy and Scott. Soon an event of nature in 1973 would push them to relocate in Huntsville Texas and make it home.

James took a job with Horizon Construction, and they were building Waterwood on Lake Livingston at the time. James loved it out there. Him and the family began to spend a lot of time out there fishing and camping. Once that project was finished, he took a job with the Huntsville Independent School District where he would work until he retired. While there, he spent a lot of time out in the community. In his early years his love for fishing prompted him to teach it and lead the Walker Co. 4H Fishing Club. He also spent time fishing in many Bass and American Angler fishing tournaments around the state.

After his retirement he decided to take another job; he loved to work. He took a job with the State of Texas as a correctional officer while there made many

new friends and learned a new trade. He would work there until he retired again.

Jame's true loves were his family, fishing and hunting. He also enjoyed carpentry and was very good at it. This is how he spent his later years. He stayed busy fishing in the summer and hunting in the winter. He advised with son about business. He was there to help friends and family whenever they needed it.

He was a loving husband, father and a great friend to all who knew him. He will be missed.

James was preceded in death by his parents and his son Scott. He will be missed dearly by his wife of 61 years, Dorleen Knoll Hosrich, his son Stacy Hosrich and daughter-in-law Criselda Hosrich.

“ *To the family of Jim-we are so sorry for your loss. Jim was a customer of ours at Walker & Byrd and a very friendly person. He always had a kind word and smile on his face. God has another Angel to watch over us. May he rest in eternal peace with our Lord. God bless all of you and may you find comfort and healing. Ken and Theresa Westbay*

“ We truly lost a part of our "family" with the passing of our dear friend, Jim Hosrich. Don & Jim first met when Don started work at Huntsville ISD in 1979. Jim was known for hand building all the beautiful classroom cabinets! I'm sure there are still many of them still being used today! This would be the beginning of a very long friendship of almost 50 years. The last few years had been really hard on Jim's health so his activities were really limited. He loved his family & friends immensely and loved when they were able to spend some time just being there for each other. He loved almost everything outdoors & spending time on his deer lease until he was just unable to maneuver those legs anymore. Jim will be forever loved and missed by all who knew or worked with him...
You were so loved, Jim!!
