“ Jim Bob was one of best and dearest friends in High School. I couldn't go to my prom so he came over and hung out with me and a few friends, making me forget how disappointed I was in not going. All the love and laughter with him will forever be held in my heart. Love you forever Sweetchi!

“ I remeber always sailing down the Elmwood hill on my bike to Jim Bob's house and a bunch of us in the neighborhood would end up at the creek to catch crawdads. I ended up after high school at TSTI in Waco with Jim Bob and Jodi Lorenz at the same time. To know Jim Bob as a friend then was to know him always in this life and the next in Heaven.

“ I extend my deepest sympathy to all of Jim's family and friends. I've known Jim so long, I do not remember when I met him. What I do remember is that is that he was always good to me and he left me with some wonderful childhood memories. I also love and appreciate Jim for being such a good friend to my brother Paul, my sister in law, and my nieces. My life, and I know the life of my family, has been blessed by having known Jim Bob.

“ We were so sorry to hear about Jim Bob's untimely death. Our son Rob rides the Metro twice daily so this caught our attention even more. I remember Jim Bob as a child, coming to Sam's birthdays. I felt I knew him from stories and comments I would hear Eleanor tell when we played bridge together and rode to Houston to see Dr. Glover. We can not imagine the hurt of losing a child. Your whole family is in our thoughts and prayers. We are leaving for Dallas and will not be able to attend the service.

“ Words can not express the feelings that are going through me at this moment in time. Jim was one of my best friends both in high school and the years after. Always smiling, laughing and joking about something or another. When I had my car wreck, he went out of his way to come visit me just to cheer me up and make me laugh. That's just how Jim was with his friends. Jim will always be in my heart, the fond memories, laughter, friendship; it will never go away. Thoughts and prayers go out to the family in this sad time. Know that Jim was loved by us all.

Mr/Mrs Robert E. DeLong and Mrs. Hannah O'Donnell send their condolences.

“ Jim Bob, as a member of the family referred to him as was a very special individual. Jim Bob and I used to play together when we were little boys. As we grew older, I always admired his child-like energy. I find it hard to believe that he has made his transition in the next step in his journey. He will be missed. To Eleanor, Candy, Mark, Paige and Adam, please know that you are in our thoughts and prayers. With all our love, Jason, Patrick, Anton and Parker Komar-Vachon Houston, TX

He is moved from this world to the next and now he has become a guied for us all. I am sure that he is able to help thoese he loved better from where he is then he could ever have when he was here. Jim was the most loving, giving, kind soul I have been blessed to know. I wish peace in all our hearts that ach for his passing. I am sad for me but rejoice for Jim.
