“ Heather my heart aches for you and your family. I know that you loved your father very deeply and I know that he loved you too. May beautiful memories of his life dwell in your heart. When you think of him remember the good times you shared with him and how much he loved you and those grandbabies. May these thoughts bring you peace that in you, "Daddy" lives on. I didn't get a chance to meet your father, nor have I met your mother but I know that she has been by his side through all of this. May she cherish the memories as well of the love he had for her and find strength and comfort from our father who is so compassionate. God Bless your family to carry this heavy cross.

“ *Dear Laura,*

I am so sorry to hear of Jimmy's passing. I remember him as such a sweet person. It was always fun to visit and catch up when he was over to the house tuning up Mama's piano. He was such a cheerful man.

I didn't realize that the two of you had been married so long. That's a wonderful achievement and I'm sure that it will be difficult without him.

I will keep you and your family in my thoughts and prayers. I remember, with gratitude, the love and support that you showed us when Mama passed away and hope that I can help in some small way.

*Yours in Christ,
Janet*
