“ *I want all of you to know that I am praying that God's peace may comfort you and strengthen you during this difficult time. Although I knew Robert for such a short time and he didn't say much, he always had a smile on his face. I am certain that he was a loving husband, father, and friend to all his family. May God bless you and keep you always!!*

Love and peace,

“ *I will miss Robert's friendly smile and warm greetings. He was such a joy to see around Montgomery College. Robert always lifted my spirits everytime I saw him. It was my pleasure knowing him and I hope when God calls me home I will get to experience his warm sense of humor again. My prayers are with you during this tragic time. God bless you and may He be a comfort to you.*

“ While Robert is in a place of peace, family and friends are having to deal with the terrible loss. Robert was such a kind and helpful person and I am thankful for the short time that I knew him. Only last week he came into my office to fix a tray on my desk, never once complaining about having to crawl under the desk and lay on his back to get the drawer fixed. He came in with a smile and he left with a smile -- that was the last time I saw him and how I will always remember him -- with a smile --going off with Dan to our kitchen area to get a slice of cake. We always tried to "reward" our guys with something for all the work they do for our department -- Student Services. Carol

“ My thoughts and many prayers are with you, the family and friends of Robert. He will be very much missed here on campus, as he was a wonderful person and fellow co-worker. His presence always brought smiles to those around him with his sense of humor, wit, and ever present smile. For myself, and on behalf of my department - the Financial Aid Office at Lone Star College-Montgomery - may he rest in peace, and may God give your family peace in knowing that he is in a wonderful place now. I continue to pray for your comfort in this tragic loss.

God Bless you all.

“ It is so hard to believe Robert will not be coming to work next Monday. It seems like he should be on vacation. The accident, his hospitalization, all the hopes, prayers, and expectations for a miracle seem like a dream. I will truly miss Robert's sense of humor, quick wit, and contagious smile. Robert's short time on earth has touched the life of so many people. Family meant everything to him and he looked forward to going home at the end of the day. All things happen for a reason and I know Robert is in a better place patiently waiting for those he loves.
