“ Dear Mary Ann, Michael, and Amy,

I cannot describe to you how my heart broke when I heard about Jimmy's death. Then not being able to be there at his services made it even harder.

Only a few people know and understand how close we all were: going to school together (for many years both of our classes in the same room); participating in each others' weddings; our Christmas parties; raising our children and watching them grow up as friends; sitting in hospital waiting rooms together; grieving the loss of parents; celebrating our daughters' weddings; sharing stories of our grandchildren...

The list goes on and on, but now Jimmy is gone. We will miss him so much, but what wonderful memories he made for all of us! I always went away from a visit with Jimmy with my spirits lifted. After that first heart attack years ago, he fought for and treasured each minute of his life--facing each day with such a joyful spirit.

He loved all of you so much and was so proud of each of you. What a wonderful husband, father, and grandfather he was! God bless you.

*Love,
Vergie*

I want to let you know how much your family has meant to me throughout the years. I will always remember Jimmy celebrating his so called "birthday" at the fair, because he believed after his first problem that each year was a gift.
