“ *What wonderful fun and laughs we all shared on trail rides. Of course, Bubba was laughing hardest at me because I always ended up with Tiger!!! He couldn't stop teasing "RODEO!!" Loved him and his caring ways. We will miss you, Bubba*

“ *I am so sorry for the loss of Bubba to all of his "family". This "family" would mean his biological family ... and then it would mean family to everyone he had ever met & got to know!! I can remember back about 50 years ago when I was about 7-8 & we would be going to town from Country Campus, we would see Bubba walking Hwy 19. My Dad would ALWAYS stop & give him a ride!! He was always excited to see people he knew and us kids loved Bubba because it was like loving one of us!! There was no one EVER with a kinder heart or soul! Bubba will always be remembered with lots of love and happiness!! God Bless You, Bubba for making all of our lives better!! ;)*
