“ Janet was a wonderful person, wife, mother, and grandmother. I always admired her strength, courage, and zest for life. When words seem insufficient, please know that you are all in my prayers and ever so close to my heart.

“ A special spirit. Not easily discouraged, always a true friend, uplifting, encouraging and a good listener. Janet was so very proud of her family. God has opened His arms lovingly to welcome her. Deepest sympathy to Greg, Kady and all who mourn her passing. Until we meet again.

“ Dear Greg and family,

*My deepest sympathies go to you and the family. I will always remember Janet sitting at her desk at Sugar Land Aviation. Even more, I'll remember her giving me the break I needed and when I needed it most when she gave me a CFI job. She was like a mother to us instructors, and I'll never forget her.*

*Prayerfully and Respectfully,*

“ *My thoughts and prayers to you, Greg, your family and especially, Maggie, on your loss of Janet. I will miss meeting and talking to Janet and Maggie during their "walks" around our section of Bentwater. I know my 100 lb. lab, Toby, will miss Janet and Maggie even though Maggie would always hide under Janet's legs when she saw Toby coming. Janet's friendly spirit will be dearly missed.*

“ I am deeply saddened by this news and want to offer my sincere condolences to Greg, and to her sister Nancy and to the entire family.

*She was truly an inspiring and amazing friend.*

*Janet was one of the sweetest persons I have ever known. Years ago she became a good friend, but for all too brief a time ... I was a fledgling photographer and she worked at Fotomat in Windsor Plaza. I visited her at her booth often and we always had a good time joking and talking. It was always with great regret that we lost touch but I have thought of her often. I can safely say she had a profound impact on my life at that time.*

*This just goes to show: you never know whose lives you will touch but even now, over forty years later, I continue to cherish the memories of our brief friendship.*

“ To Greg and extended Golian Family,

*Janet worked for me years ago and was my prized salesperson over all others. Janet alone founded the once STC OFFICE SERVICES in Austin, Texas for me. She was a bright spot for all of the people who worked for STC. I have thought of her often over the years that we have been separated.*

*Even though I have not seen Janet in many years I will miss her but always have fond memories of her.*

*I know that GOD has a special place for her in Heaven.*

“ Janet was very sweet, loving and fun. She was the first person to make me feel so welcomed when I moved to Conroe three years ago from Nashville. She was a true friend and prayer partner. I will miss her and cherish my time with her. I am handicapped and she made a difference in my life and always made me feel special. I know there is a special place in Heaven for this special lady. My thoughts and prayers are with her family at this time.  
Love in Christ,
