“ *Dear Family,
I was saddened to hear of your loss, but thankful to Almighty God that He released dear Janet from the cares of this world. She is at rest and at peace now. Her departure came sooner than we desired. However, we will all be reunited on the other side where there is no more pain, sorrow, or anymore good-byes.
May God keep you and bless you in the days ahead. May He also reward you for the faithful, true love that you exhibited to his precious child! I will keep you in my prayers. Love you,

“ Dear Mrs Slott,
I am so very sorry for your loss, I know that working with Janet while she lived here at the Brenham SSLC and just by standing back and watching you with her, I have learned what a Mother's true love is all about. please try to be comforted in knowing that she knew how very much she was loved. I have never seen a more devoted Mother who loves her children as you do. Through her many physical ailments, she always had the healing power of your love, strength and devotion. I believe she inherited your strength and willpower, take that as a comfort with you as you have to say goodbye for now so that it can sustain you until you see your precious daughter again.

“ Dear Mr. & Mrs. Slott & Chris,
As I am deeply saddened to hear of the passing of sweet sweet Janet, I think of all of the wonderful memories I have of her. I couldn't wait for church to be over on Saturday evenings so all of you would come to the cafe. Seems like she and I and Chris could laugh for hours. God blessed you with such sweet children with radiant smiles. I know that she is smiling with Jesus. Praying that he will give you comfort and hold you in the palm of his hand.

“ Dear Martin, Linda, and Chris,
Janet's name should have been "Joy" for that is what she brought to all of us who knew her. Her happiness was contagious! That happy disposition was instilled in her by all of you and her grandmother, Ms. Ruby. You treasured and loved and protected your baby girl day in and day out for all of her years. I know these last few years have been so difficult and losing Janet is even harder, but now you can rest and smile when those good memories of your sweet child come flooding back.

We will be out of town at the time of Janet's services, but you will be in our thoughts and prayers.

God bless you,

“ I will always remember her waiting for me to get home from work when I lived next door so she could come over and we would swing in the porch swing. What a great stress reliever that was--she always reminded me to be thankful. Now she is swinging in Jesus' porch swing! She was loved by all and she will be missed but what a wonderful place she is in now--perfect in all ways!! Once an Angel among us now an Angel in Heaven. God Bless You! We love ya'll--
