Janice Sue Robinson Molk was born August 17, 1949 to Otis and Billie Owens Robinson in Texas City, Texas and she passed away March 8, 2007. She loved people, especially children. She was a lover of life and a lady of her word. She was a member of the Farris Chapel Methodist Church. She is survived by her husband Richard Molk, son Kevin Hanselman and wife Misty of Conroe, granddaughters Elizabeth and Madison Hanselman, step-son Matthew Molk, parents Otis and Billie Robinson, brother David Robinson and wife Gina, niece Shae Robinson, niece Brianna Robinson, nephews Simon Robinson and Luke Robinson. Services will be held Monday March 12, 2007 at 10 AM in the Chapel of Sam Houston Memorial Funeral Home with interment to follow at Farris Cemetery. “ *I lost touch with Jan over the years and just found out about her passing away. We were the best of friends in college (SHSU) and remained friends for many years after. She was so genuine, good-natured, and it was my joy and pleasure to know her. Her parents were terrific people that opened up their home to me when Jan and I would visit on weekends during our college days. Many, many fun-filled memories of Janice keep her alive in my heart. Although you probably don't remember me, Kevin, I remember you and what a cute, sweet boy you were (have photos of you and your mom & dad from long ago). Hope you and your family get this message. Needless to say, I am so sorry for Janice's passing without getting to say goodbye and tell her how much she meant to me.*

“ *Mrs. Molk was a great teacher that I had my 4th grade year at Ben Milam. She was a very cheerful person who will be missed greatly. As I know this is a hard thing to deal with but keep remembering the memories that were made with her. God bless*

“ *I want to let you know how much Janice touched my heart and all of those she met. I was the brand new principal at Milam and Janice made me feel very warm and welcomed. I appreciated her candor when I needed it and her support when I needed that too....but most of all I enjoyed so much her sense of humor! She certainly could make us all laugh....mostly at ourselves. (smile) Know that she dedicated her life to children which is the greatest gift of all. There are many children out there that will remember her and how she made a difference in their lives. I am sorry that I was out of town during the service, but knowing Janice, it was beautiful.*

“ I was honored to be Janice's teaching partner at Milam Elementary several years ago. I always say it was my favorite year of teaching and that was largely thanks to Janice's help and leadership. Her passion for kids not only touched kids but also the teachers she worked with. That is a legacy that will go on forever. She loved her family so and always spoke of you. Bless each of you during this difficult time.
