“ *Jan..I will miss seeing your smile when I go to visit all my friends at Facilities @ TDCJ. You were a dear, dear friend since 2000 in your IT years. I will not say "goodbye" but "see ya" because we will see each other again. RIP.*

*Kenny..I know for sure that you WERE the "love of her life"because every time she spoke of you (which was often) her eyes lit up and she got a smile on her face. Jan was a great friend and I loved her as you do. May God wrap his sheltering arms around you and comfort you during this time of your loss.*

*Jan's parents, brothers and sisters..You had a very special daughter and sister. She was loved by everyone who met her. Sending love, prayers and hugs to all of you. God bless you and comfort you in this difficult time.*

“ My heart and soul are still saddened by the passing of our Jan. When she moved next door to me in Trinity Plantations it was a great thing that "the neighborhood would never be the same"!!! The first time she ever met my Beaugie, a long haired dachshund, he still had his winter fur and she told him he looked like he had borrowed someone else's coat....he loved her so much. When I moved away I was still blessed to have Jan as a coworker and friend. I know her spirit will always be with us, especially on the golf course and the dance floor. My heartfelt sympathy goes out to Pro and & family.

“ I am truly going to miss Jan! She was one person that I could talk to about the different medical issues. She was a great friend and a lovely person. I enjoyed the time we had together when we worked together at TDCJ. I looked forward to the morning chats that we had. Even after I was RIF'ed, we kept in touch. She will be missed but remembered each time I go dancing. I will miss my line dancing partner and how we would shake our tail feathers!! She is "Rocking The Beer Gut" in heaven now (One of her favorite songs). Sending prayers and hugs!!!!

“ To Jan's family and Kenneth, Jan was a wonderful person loved by many and she will be missed everyday. Somedays I would see her at the office and we didn't say anything to each other but she would nod her head a certain way as to just say "Hey". Jan I will miss the stories about Bogey and Divot and how they road with different people at the golf course. I will miss you but someday we will meet again. RIP my friend.
